Finger play movements

Slippery fish: put your two hands together, prayer style, and glide them through the air.

Octopus: hook thumbs together and use your fingers as the tentacles.

Tuna fish: Put your fingertips from both hands together to make a big fish.

Great white shark: flat palms at right angles.

Humongous whale: both arms in opening and shutting motion.

BUUURRRP! PARDON ME ! sound and hand over mouth!

Make some slurping and gulping eating noises as you go!
