

# Wind and Umbrella Rhymes

Oh, the wind is blowing all over town,  
Just like so. (Child blows)

Oh, the trees are bending - way down low,  
Way down low, way down low.  
Oh, the trees are bending - way down low,  
Just like so. (Child bends low)

Oh, the kites are flying - watch them go,  
Watch them go, high then low.  
Oh, the kites are flying - watch them go  
Just like so. (Child pretends to fly kite)

Continue with:

"Oh, the clothes on the line - flop to and fro"

"Oh, the flag on the pole - waves fast and slow"

## **Umbrellas Fingerplay**

(Use fingers or make umbrella puppets)

Five umbrellas stood by the back door,  
The red one went outside, and then there were four.  
Four umbrellas pretty as can be,  
The blue one went outside, and then there were three.  
Three umbrellas with nothing to do,  
The green one went outside, and then there were two.  
Just one umbrella alone in the hall,  
The purple one went outside, and that was all!
